Physician Compensation in Quebec 2006 to 2015: What happened and what can we learn from it?

Dr. Damien Contandriopoulos

Click [here](#) then scroll down for more info

Wednesday, September 19, 8:00 a.m. - 9:00 a.m.

Pediatric Medical Grand Rounds

Management of febrile young infants: New data, new approaches

Dr. Brett Burstein

Click [here](#) then scroll down for more info

Wednesday, September 19, 12:00 - 1:00 p.m.

IDIGH Program Seminar

Physiology Seminar

Using mathematics to diagnose, cure and predict cardiac arrhythmias

Dr. Leon Glass

Click [here](#) for more info

Sunday, September 16 at 8:30 a.m.

McGill Faculty of Medicine Inter-Professional Terry Fox Run

A non-competitive fun run where individuals, families and groups walk or run one to ten kilometers to celebrate the courage and resilience of a Canadian hero. The McGill Faculty of Medicine Inter-Professional Team serves to unite students, researchers, and healthcare professionals in the battle against cancer. The annual Terry Fox Run, the legacy of Terry's Marathon of Hope, has always been about giving what you can and participating as you are able.

September 21-23

2nd Annual Cedars Ride for Hope and Gratitude

The mission of this ride is to raise funds for the creation of a new Cell Therapy Unit under the

direction of Dr. Pierre Laneuville of the MUHC, administered through the Cedars Cancer

Foundation. By establishing this unit, doctors, researchers and patients will benefit from this

promising and burgeoning area of research in the fight against cancer.
